

You & Your Love Star in These Personalized Romance Novels by Fletcher Newbern

Here are descriptions of the current books in our catalog:

Another Day in Paradise takes place at a lavish, new Caribbean resort where our couple are pampered as the honored guests. While exploring their paradise, they stumble onto a danger that threatens to keep them apart. Ultimately, they find it's not money or fame, but love that matters.

Love's Bounty: An Outer Banks Romance is set on the barrier islands of North Carolina's Outer Banks. Our couple explore attractions like Cape Hatteras Lighthouse, the Wright Brothers' Memorial, and *The Lost Colony* outdoor drama. Through an adventure true to Outer Banks' tradition, they rediscover that love conquers all.

Cold Feet, Warm Heart has a cold-weather setting, but has plenty of warm-blooded action. Our couple visit a ski resort where they're the last to arrive before a blizzard closes the area. Under the instruction of a former, Austrian ski-team member, they can do no wrong until an earth-shattering ordeal provides the true lesson of love.

Awake, My Love occurs in your own town and is a romp back in time. Due to a car accident, our couple get an answer to the question, "What would happen if you lost everything?" Through dream sequences, he becomes a cowboy, she a Miss Kitty in the Old West; she a medieval princess, he her defender; plus much, much more.

Sea Double: A Cruise Romance is set aboard a cruise ship. Our heroine is called upon to switch places with a music-industry mega-star; our hero becomes her bodyguard. Both find themselves playing at Caribbean ports-of-call like St. Lucia, Curaçao and St. Martin, and basking in first-class comfort, only to find that along with celebrity comes a price.

Another Night in Paradise is set on a mythical Caribbean island. Our couple find a meteorite worth becoups bucks and a yacht full of bad guys willing to kill for it. All this after a stellar night of lovemaking under a sky filled with shooting stars amid a tropical world of romance and discovery.

Island of Love takes place in Tahiti, the Island of Love, where the action and romance are of volcanic proportion. Black pearls, black-sand beaches, and the black hearts of villains all play a role. From a cruise ship, our duo ultimately find their destiny rests in myth as deep as the blue Polynesian waters.

Away on the Range is set at a dude ranch. Our couple wrangle under the direction of the ranch owners' daughter and the outfit's foreman. There are horses, tall-tales, and pleasures of the wild, with romance coming in the most unexpected places. From outward beauty to inward understanding, the lesson learned is as old as the Wild West.

Celebrating Romance is a collection of 10 romantic, short stories selected as winners in yournovel.com's first Romance Writing Contest held to celebrate our tenth year of business. There's something for any starrng couple in each of these adventures. Settings include Paris, a mountain retreat, Acapulco, the Southwest, Barcelona, Maui, Oahu, and even outer space.

Cruise Alaska is set in some of the most pristine wilderness left on earth. Aboard a cruise ship, our couple visit ports like Vancouver, Ketchikan, Juneau and Skagway. Bald eagles, Humpback whales, and Northern Lights all enter the action before that shining, yellow temptress of the Yukon and her associated evil – gold fever – reveal a deeper meaning.

For the Ages is set at the Grove Park Inn Resort & Spa in Asheville, NC. Our couple visit during autumn's "leaf season." An insightful guide accompanies them back in time where some of the historic Inn's notable guests like Thomas Edison, Harry Houdini, F. Scott Fitzgerald, the Pink Lady, the resort's resident ghost, plays into their lesson of love.

Let the Good Times Roll takes place in hot and sultry New Orleans. Our couple find that phrase multiplied during their Mardi Gras visit. They explore the French Quarter, watch parades, catch beads, and ride on a float during the Orpheus Parade. In the prickly heat of the voodoo-laced Big Easy, an itchy situation shows how dear their life together really is.

The Treasure Seekers by Marcy Thomas is set in Fort Lauderdale, where the starring couple go on a treasure hunt. Led by a series of clues, they enjoy area attractions and pursue their passion, but in unearthing the fortune, coincidence pits them against piracy. Combining their enduring love and a little luck, the couple beat the odds and learn about life's most precious treasure.

Shore Thing features four short stories at four exotic beaches. Little Palm Island in the Florida Keys provides old-fashioned romance and a spooky encounter. Fiji's Beachcomber Island proves the present even better than the "good old days." The cliffside Reefs property Bermuda leads to sudden drama. And Peter Island in the British Virgin Islands offers star-filled night.

Heart of the Keys by Marcy Thomas is set in Key West, Florida. The US's "Southernmost City" provides more than the usual excitement for the starring couple in this outrageous romantic romp. A love letter written in 1848 holds a secret to be unraveled. Colorful characters, picturesque sunsets and tropical settings serve as the backdrop for this tale of elusive love and everlasting romance.

New Mexico Nights features desert and mountain grandeur, the light that's inspired countless artists, the history of an ancient people, and more to form this tale of discovery, which is as hot as local chile peppers. Albuquerque's hot-air ballooning, Taos' natural hot springs, and Santa Fe's art galleries all lead to plenty of carefree fun until an inspiration of an unusual nature puts an unexpected price on our couple's escapade.

Rome: Diamonds, Danger and Desire by Marcy Thomas is a sexy adventure, where the starring male takes on the role of a secret agent. He and his special lady hang out with mysterious types, including a sultan who plans to purchase the world's most perfect diamond. A colorful gang of thieves has other ideas for the gem. Against the backdrop of the Coliseum, the Vatican and all that Rome has to offer comes an intriguing tale of love, adventure and heroics.

Jamaica Rendezvous: A Couples Ocho Rios Romance is set at Jamaica's first all-inclusive resort for couples only. Our couple indulge in all the resort has to offer, which includes horseback riding, snorkeling, and sailing, and are taught a lesson of love courtesy of an ocean treasure. Hot nights, exotic entertainment, and passionate encounters make theirs a vacation to remember.

Season's Greeting, Season's Love by Marcy Thomas is set in the town of Harmony where the winter holidays are a time of enchantment and celebration. Our couple find quaint shops, friendly people, and a snow-covered landscape. When an unexpected turn of events tests the fabric of this utopian village, will life and love ever be the same?

Holiday on Thames takes place on a luxury river barge sailing along the River Thames in England. Our couple visit spots like Windsor Castle; Oakley Court Hotel, where "The Rocky Horror Picture Show" was filmed; Hampton Court Palace; and Runnymede, where the Magna Carta document was signed in 1215. A little history, a couple of outrageous gal pals, a little mischief and a lot of passion pepper the plot.

Shore Thing II is a collaboration by Fletcher Newbern and Marcy Thomas perfect for anyone who loves vacationing on the water. It could be considered a sequel to "Shore Thing," but it can be read alone. It features Huntington Beach, CA, also known as Surf City, USA; Lake Powell, UT; South Beach in Miami, FL; and Great Exuma Island, in the Bahamas where "Pirates of the Caribbean: Dead Man's Chest" was filmed in part for its perfect aquamarine waters.

As seen in People Magazine, Rachael Ray, NPR, USA Today, ABC's "The View," Bridal Guide

Negril Everlasting: A Couples Resort Romance is set in Negril, Jamaica, at Couples Negril and Couples Swept Away. Stunning beaches, verdant valleys and dramatic mountains plus the friendly welcomes and broad smiles of the special people who call Jamaica home: This is Negril, a magical place and the breathtaking backdrop for this story of romance, adventure and life's lessons learned.

High Seas Romance by Jennifer Price is set during the turn of the 19th century and England and France are locked in a struggle that plays out over both land and sea. Our hero is a brave and dashing captain in the British Royal Navy who must go wherever duty takes him. His true love seeks a way to avoid being left behind, and in doing so faces many challenges.

Missed Tryst by Geno Vincenzo puts our couple in a hardboiled, film-noir detective novel where they've formed Gal and Guy Private Eye Agency. Looking for some downtime, all our couple wants is a romantic tryst at the Mystic Hotel in tCapital City. But upon arrival, their plan unravels when a series of mix-ups and botched meetings sends our couple down the road to danger, espionage, cut-throat deceit, and a secret that could threaten life on earth.
